dedication

During the past four years at Sharon High School, we have learned much about ourselves and others. As our graduation approaches, new challenges confront us. The past must not be forgotten, but we cannot dwell upon it. The future is here for us to take hold of. All we have to do is reach for it.

We wish to dedicate this yearbook to all those who have helped us throughout the years and instilled in us the confidence that allows us to face the future knowing that we will be able to do what we set out to do.

"Life's battles don't always go
To the stronger or faster man
But sooner or later the one who wins
Is the person who thinks he can."

Walter D. Wintle

appreciation

We, the class of 1982, would like to express our appreciation to Mr. Tony Pane for the goals which he has helped us to achieve. He went beyond just being our teacher and advisor and became our friend. He was always there when we needed him. He gave unselfishly of his time, and our class is a better class because of him. For this we are grateful and wish to thank him.

"Memories . . .
light the corners of my mind . . .

Scattered pictures of the smiles we left behind
smiles we gave to one another for the way we were . . .

So its the laughter we will remember whenever we remember
the way we were."

For all the laughter + tears + times we've shared —
The class of 82 says
Thanx for the MEMORIES
